What is TVC Enterprise?

- An online solution specifically designed for L&D management
- Instructor led training, self-paced e-learning, virtual classroom sessions and performance management
- Underpinned by Totara, a highly customised version of Moodle LMS.

What makes it special?

- Individual learning plans to reflect employee roles, training needs and objectives
- Compliance and assessment management plus business analytics and reporting
- Track on-the-job training, guide development and assess progress toward career and company objectives.

Why is it the right choice for my organisation?

- Ideally suited to adult learning and corporate staff training
- Integration, branding, training and support included
- Quickly implemented at a fraction of the cost of alternative solutions.
